Kommentar: The book has been read, but looks new. The book cover has no visible wear, and the dust jacket is included if applicable. No missing or damaged pages, no tears, possible very minimal creasing, no underlining or highlighting of text, and no writing in the margins. Last Child in the Woods: Saving Our Children From Nature-Deficit Disorder | Richard Louv | ISBN: 8580001049731 | Kostenloser Versand für alle Bücher mit Versand und Verkauf durch Amazon. Louv talks with parents, children, teachers, scientists, religious leaders, child-development researchers, and environmentalists to find ways for children to experience the natural world more deeply. Oh great. Another thing for us hypervigilant, overeducated parents to worry about. As if stranger danger and hot dogs cut horizontally instead of vertically and childhood obesity and the recommended daily allowance of Barney and whether the neighborhood sex offender is rated as level 1, 2, or 3..., Last Child In The Woods Saving Our Children From Naturedeficit Disorder.
