

Download New Hampshire Atlas

New Hampshire Description. Long the ancestral home of American Indians, this land was first colonized by the English in the early 1600's. In 1629 a settlement built near present-day Rye was named New Hampshire after the English county of Hampshire. Zum Hauptinhalt wechseln. Prime entdecken BücherBücher (Fremdsprachig)
Wählen Sie die Abteilung aus, in der Sie suchen möchten. When New Hampshire was discovered by English Captain Martin Pring in 1603, Abenaki and Pennacook Native Americans lived there. However, Europeans who settled in the region twenty years later brought smallpox and other European diseases, which wiped out most of these natives., New Hampshire Atlas.
