Popular Injustice focuses on the spread of highly punitive forms of social control (known locally as mano dura) in contemporary Latin America. Many people have not only called for harsher punishments, such as longer prison sentences and the reintroduction of capital punishment, but also support vigilante practices like lynchings. In Guatemala, hundreds of these mob killings have occurred since ...Download Citation | Popular Injustice: Violence, Community, and Law in Latin America | Popular Injustice focuses on the spread of highly punitive forms of social control (known locally as mano ..., Popular Injustice Violence Community And Law In Latin America.
